SUBJECT: 25X1A  
Property Disposition

REFERENCE: DPD-0739-59, Same Subject

25X1A 1. In order to expedite termination of the [redacted] project and associated Work Orders, it is requested that excess equipment on hand at [redacted] be shipped to the CHALICE Depot, Mira Loma, for further disposition. This will negate the necessity for dual shipments and reduce shipping time as well as materials required.

2. It is further requested that the Depot be instructed to maintain only that portion of equipment which may be required in support of Project CHALICE and the necessary documentation on this transaction be returned to Major [redacted] at Mira Loma for action required. Those items over and above these levels will be handled through normal disposition channels.
